South Brunswick Announces

SPECIAL FALL CURBSIDE BRUSH COLLECTION

RELEASE DATES: Thursday, September 14th and September 21st

**Contact: Bill Epps
South Brunswick Recycling
(732)329-4000, extension 7274**

Brush is a material that is mandated for recycling. This means that brush is not permitted in the landfill and therefore cannot be collected with the garbage. Normally residents must deliver brush to the Township's brush drop off site. However, South Brunswick Township has announced that it will have a curbside brush collection beginning September 26, 2016. Materials must be at the curb (not in the street) by 6:30 a.m. Monday, September 26, 2016 in order to ensure collection. Residents are asked to be patient, as the collection Township-wide may take more than one week.

Items that will be picked up include brush, branches, shrubs, bushes that are less than 4 feet in length and less than 5 inches in diameter. They **MUST** be securely tied in bundles that are less than 50 pounds. Bundles should be placed curbside, and not in the street as not to restrict street maintenance program. Twigs and small branches that are less than 4 feet may be placed in a container. No bags, No Leaves, No Weeds, No Stumps, No Litter and No Garbage will be accepted.

Residents choosing the delivery option for recycling their brush may take it to the convenience center located behind Sondek Park on East New Road. The brush site is open Monday through Saturday from 8:30 AM until 3PM. Sondek Park is located at 473 New Road near the intersection of Friendship Road. For directions visit the Township's web site (www.sbtnj.net) or call the Recycling Department at 732-329-4000, extension 7274.
